

UNITED STATES DISTRICT COURT  
EASTERN DISTRICT OF MISSOURI  
EASTERN DIVISION

MICHAEL MARTINEZ,  
Plaintiff,

vs.

CITY OF ST. LOUIS, et al.,  
Defendants.

Case No. 4:01 CV580

ERIC DEEKEN,  
Plaintiff,

vs.

CITY OF ST. LOUIS, et al.  
Defendants.

Case No. 4:01 CV1770

**ORDER**

The Court recently received the Withdrawal of Appearance of Jerome Diekemper (Doc. 310), the Entry of Appearance of Sherric A. Schroder (Doc. 311), and the Entry of Appearance of Greg A. Campbell (Doc. 312). These filings, which pertain to Counsel for Intervenor Lawrence B. Arens, IV and Mark D. Rauss, called the Court's attention to the status of the Intervenor in this matter. The Court checked the docket report and confirmed its recollection that the Intervenor have not been active participants in this case in any fashion since 2004. They obviously have no interest herein. Accordingly, **IT IS HEREBY ORDERED** that Intervenor Lawrence B. Arens, IV and Mark D. Rauss are **DISMISSED** as parties in this case.

Dated January 29, 2007

  
JOHN F. NANGLE
